10.CHECKOUT FLOW

The screenshot displays a web application interface for a shopping cart and checkout process. The top navigation bar is yellow and contains links for Home, Shop, Cart, and Blog, along with icons for user profile, wishlist, and search. The main content area is divided into two columns. The left column shows a list of items in the cart, including a 'Black & White Canvas T-Shirt' and a 'Black & White Canvas T-Shirt' with a price of \$10.00. The right column shows a summary of the cart items, including a 'Total' of \$10.00. Below the cart items, there is a 'Checkout' section with a 'Proceed to Checkout' button. The bottom section of the page is a 'Billing details' form with fields for 'First Name', 'Last Name', 'Email', 'Phone Number', 'Address', and 'City'. There is also a 'Payment Method' section with a 'Pay' button. The page is numbered 4 in the bottom right corner.
